

To prevent the spread of COVID 19, in our restaurant, we are taking infection prevention measurements, such as disinfection of surfaces and social distancing. We also prepare every ingredient according to the COVID 19 infection control measures. Please enjoy your time and great food in one of our spacious room we have prepared for our customers.

We have take-out Japanese lunch boxes and party plates (hors d'oeuvres). In case of delivery request, please feel free to contact us.
